Dated: 06.11.2026

Corrigendum

With reference to the Tender/EOI dated 27/10/2026 for the appointment of bidders of Bharat Rice, the following revisions/additions may be read in place of, or in addition to, the earlier provisions:

Clause	Revised / Additional text
Contact Details of Portal Partners for Registration	Prospective bidders may contact the portal partners listed at Annexure-A for completing the registration process and for resolution of any queries/issues relating to registration.
EMD Deposit through Portal Partners	The Earnest Money Deposit (EMD) shall be deposited by the bidders into the designated Escrow Account of the respective portal partner.
Bidding Details	The bidding parameters, auction rounds, residual recovery and bid validity shall be as detailed at Annexure-B for the information and guidance of prospective bidders.

All other terms and conditions of the tender remain unchanged.

Annexure-B: Bidding Details

Bidding parameters

1. The auction shall be held on two bidding parameters – Milling Charges and Milling Quantity.
2. Milling Charges (in Rs. per quintal of raw material quantity) shall include all costs to be incurred by the miller towards lifting and handling of raw material, milling and processing, packaging as per NCCF's standards, and transportation of the milled product to NCCF designated delivery centres.
3. Milling Quantity (in MT) shall be the quantity of milled product to be delivered by the miller against the contract.

Auction rounds

4. The auction shall be conducted in three rounds.
5. Round 1 – Bidding Round: held for 30 minutes, including up to 3 auto-extensions of 5 minutes each in the event of any change in the L1 bid during the last 3 minutes of the round.
6. Round 2 – Matching Round: all bidders other than the L1 bidder shall be given an opportunity to match the L1 price.
7. Round 3 – Counteroffer Round: NCCF may evaluate the bids and, if required, make a counteroffer to the bidders.

Residuals

8. Residuals arising out of milling (bran, husk, broken, etc.) shall remain the property of NCCF.
9. The miller shall pay NCCF at a fixed rate of Rs. 20/- per Kg for residual quantity equivalent to 20% of the raw stock issued.
10. NCCF reserves the right to revise the residual recovery rate during the contract period based on market trends or Government directives.

Bid validity

11. The bid shall remain valid up to 30.06.2027, extendable at the sole discretion of NCCF.
